

Bag Boy Introduces the NXS Series Stand Bag --Stream Line Design on the Cutting Edge of Stand Bags--

RICHMOND –The Bag Boy Company recently introduced the latest addition to their state-of-the-art line of pull carts, golf bags, and accessories. The NXS Series Stand Bag is designed to meet the needs of today's golfer by combining a variety of functional features with a unique and exciting "streamline" design. "This bag not only appears to be cutting edge, but the NXS Series Stand Bag's innovative features makes the ideal stand bag for golfers everywhere," said Leighton Klevana, Vice President of Bag Boy.

The NXS Stand Bag features the Streamline Design pocket structure, which allows golfers easy access to their belongings and gives the bag its unique modern look. In addition, this bag has two valuables pockets and a spacious ball pocket for extra storage. Rain or shine golfers will be prepared as the NXS Stand Bag includes an innovative umbrella holder and an insulated cooler pocket for beverages. Like all Bag Boy products, the NXS Stand Bag is constructed of the highest quality materials to ensure durability. Each bag can either be carried with its Izzo Comfort Swivel Strap or can easily be turned into a cart bag by securing the legs with the unique strap.

The NXS Stand Bag is offered in eight attractive color combinations: black/silver, black/green, black/red, black/yellow, black/royal blue, navy/silver, navy/red and navy/teal. In addition, each bag can be easily personalized with the embroidered logo of a facility, corporation or an individual's name.

The Bag Boy Company was founded in 1946 and is recognized as an industry leader in the pull cart, golf bag and accessory markets by providing outstanding customer service and dependable products for over 55 years.
