

Bag Boy Introduces Jr. 500 Three Wheel Push Cart --Adjustable for Junior Golfers of All Ages--

RICHMOND –The Bag Boy Company recently introduced the latest addition to their state-of-the-art line of push carts, the Jr. 500 Three Wheel Push Cart. The Jr. 500 Push Cart is designed for junior golfers of all ages. A telescoping handle and fully adjustable bag bracket allow this cart to be customized to fit any age junior golfer. The removable front wheel allows for quick and easy tool-free assembly; insert wheel into housing, and you're ready to roll!

"We're taking one of the fastest growing product categories in the golf market, three wheel push carts, and offering them to junior golfers," said David Boardman, President of Bag Boy. "The cart is designed to make walking the course more fun and easy for juniors. With the built-in adjustability of the Jr. 500, a young golfer can use this cart from the time they first learn to play, until they are 10-12 years old."

The new Jr. 500 Push Cart features a detachable third wheel, adjustable bag brackets, steel ball bearing wheels and a telescoping handle that makes pushing the cart comfortable for junior golfers of all heights. Rugged, high density PVC tires offer long lasting durability and are ideal for all types of terrain.

The Bag Boy Company was founded in 1946 and is recognized as an industry leader in the cart, travel cover and golf bag markets by providing outstanding customer service and dependable products for over 58 years.
