

Bag Boy Introduces 2009 Revolver Pro Cart Bag

RICHMOND, Va. (November 20, 2008) — The No. 1 name in golf bag and golf cart innovation, The Bag Boy Company has unveiled its new 2009 Revolver Pro cart bag. A deluxe version of the ever popular Revolver cart bag, the Revolver Pro features the original Revolver's rotating top and Clip-Lok technology offering easy access to each club in the bag.

"The Revolver Pro is an enhancement to the original Revolver design first introduced in 2006, making it one of the most full-featured and golfer-friendly bags on the market," says Craig Ramsbottom, President of The Bag Boy Company. "By improving on our best selling bag, we continue to exceed our customers' expectations."

Like the original Revolver, the entire center tube component of the bag rotates 360 degrees for quick access to each club in the bag. Clubs will also stay protected and looking new longer with 14 individual club clips incorporated into the molded top to lock clubs in place and 14 full length box dividers to prevent the shafts from twisting together.

In addition to the 10" 14-way top with full length dividers, the Revolver Pro sports new features such as a removable cooler pocket, two external putter wells and a quick access ball sleeve. The bag also comes with 8 functional pockets with ample storage, two fur-lined valuables pockets and clip for keys, a tee holder, molded trunk handle for easy lifting, and a cart sleeve to help prevent the bag from twisting when on a walking or riding cart.

The Revolver Pro is available in Black, Black/Red/Gray, Black/Royal/Gray, Black/Orange/Gray, White/Red/Gray and White/Green/Tan. The Revolver Pro has a suggested retail price of \$199.95 and comes with a matching rain hood and umbrella sleeve.

Product photography available upon request.
