Bag Boy® Revolver Pro Cart Bag Named to Prestigious 2009 Golf Digest “Hot List” *Revolver Pro also receives “Golfer’s Choice Award”*

RICHMOND, Va. (June 22, 2009) — A leader in golf product innovation, The Bag Boy Company announces that its 2009 Revolver Pro cart bag was named to the prestigious *Golf Digest* 2009 “Hot List.” The Revolver Pro was one of only two cart bags to receive the gold award, the magazine’s highest recognition.

Consumers also agree with golf’s leading equipment experts that the Revolver Pro is one of the best cart bags on the market. With over 5,000 readers casting their vote for their favorite golf bag, the Revolver Pro received the “Golfer’s Choice Award” from The Hackers Paradise™, a prominent golf web site. “We are honored that equipment experts and consumers both agree that the Revolver Pro is one of the best cart bags on the market,” says Craig Ramsbottom, President of The Bag Boy Company. “These two awards reinforce our position as a leader in the golf bag market.”

The Revolver Pro is recognized for its one-of-a-kind 360 degree rotating top that provides quick access to each club in the bag. It is also hailed for the individual club clips incorporated into the molded top which lock clubs in place and the 14 full length box dividers that prevent the shafts from twisting together. A deluxe version of the popular Revolver cart bag introduced in 2006, the Revolver Pro sports new features such as a removable cooler pocket, two external putter wells and a quick access ball sleeve.

The Revolver Pro is available in Black, Black/Red/Gray, Black/Royal/Gray, Black/Orange/Gray, White/Red/Gray and White/Green/Tan. The Revolver Pro has a suggested retail price of \$199.95 and comes with a matching rain hood and umbrella sleeve.
